

EXHIBIT I

I, DAVID [REDACTED] hereby declare as follows:

1. I am 22 years old. I am currently serving a 22-year sentence for attempted murder. I pled guilty to that charge. I am incarcerated at High Desert State Prison in Susanville, CA.
2. Albert Harris, my biological father, molested me when I was seven years old. My mother, Ceandy Curry, and step-father, Larry Pohlschneider, did not know about the abuse while it was happening. My father also abused my sisters. We did not tell anyone about the abuse because we were afraid of Albert.
3. At no point did Larry Pohlschneider ever molest me or touch me in any sexual way. Larry's daughter, Ethel [REDACTED] my sister, Ashley [REDACTED], and myself had a good relationship with Larry. We loved him.
4. Larry would discipline us when we got into trouble, but it only involved a spanking over the clothes, and it was never sexual in nature. Aside from the occasional spanking, Larry never hit us in any other way.
5. I have had almost no contact with Larry since he went to prison. I believe he is upset with me because I joined a Mexican Street gang. I do not feel I owe Larry anything.
6. I do not remember much about the investigation and trial. I do remember feeling as if the detectives filled my head up with ideas – they were very pushy when they interviewed me. The detectives kept telling me that Larry did molest me. They said, repeatedly, that Albert was sure that Larry had also molested the three of us. I did not like the detectives and I

just wanted to get the interviews over with. The detectives interviewed me many times throughout the investigation.

7. I do not remember being pressured by my mother to say one thing or another as it concerned Larry and the investigation. My mother just wanted me to tell the truth; she wanted whoever did this to us to be held responsible.

I declare that the foregoing is true and correct under penalty of perjury under the laws of the State of California.

Executed on 9-9-14 in Susanville, California.
