

Reporting Enhancement Requests

Ticket	Est Hrs	Entity	Description
21213	25	AL	Automate ReportLink input files from AJL as the last part of the file creation process.
20575	100	AZ	Extend the timeframe dates through this current quarter (3/31/2016/). Reporting > Provider Reports > Comprehensive Provider Report
21603	65	AZ	Add a "Select Provider Type" drop-down menu to the Provider Performance Reports on the "Choose Report Options" page.
21396	25	DE	Sort the DVOP Intensive Services report according to date new vets are added to the list.
20349	85	ID	Please clarify the Consolidated Expenditure Report: it shows two Occupational Skills services with duplicate figures, but only one service on the S/T plan. It is misleading that the Consolidated Expenditure Report sections have the total of both Occupational Skills budgets in each instead of the respective amounts.
21658	40	ID	Sort payment information in the S&T Plan payment reports by Pay End Date chronologically, with the most recent payment on top.
21669	60	IL	Sort the DVOP Intensive Services Report by the veterans who have been on the report the longest at beginning of list to facilitate more timely contact.
21668	55	IL	Add additional information to the JS Employer Activity Listing report: Employer Name (Hyperlink), Part ID (Hyperlink), Job Seeker Last Name, First Name, Job Development Date, Interview Scheduled (Yes/No), Interview Date, and Follow-up Date. These additions will allow us to track the LVER's outreach to employers on behalf of the Job Ready Veterans referred to him/her by the DVOP.
21659	35	IL	Add City and Federal Contract Status to the Employer Approval Report.

Reporting Enhancement Requests

21654		IL	Create a report that would include H-1B, H-2A or H-2B jobs under employer reports, broken down by Local Area/WIB, Region, Office. Report options could include "From and To" date as it currently does in the Employer Activity Report. The report would then result out the jobs under the H-1B, H-2A or H-2B headings. These jobs would include employer entered or staff entered, Employer Name, Job Title, JO #, Created date, updated date and closed or on hold date (if job is closed or on hold). The Job Title and Employer name could be hyperlinked.
21340	60	KS	Build "Jobs By Industry" report to result the number of open jobs available in each industry for that day.□
